

For every dollar spent on K-12-aged students in New Hampshire, **\$0.08 was spent on infants and toddlers, and \$0.09 on preschool-aged children.**

New Hampshire invested almost \$100 million in early care and education in 2022, yet only \$92 million of those dollars were reflected in national reports, leaving \$8 million – or 9% – of state and local spending uncaptured.

Of these investments in birth to K-entry:

- 48% supported infants and toddlers
 - 79% came from federal sources
 - 21% came from state funds
- 52% supported children age three to kindergarten entry

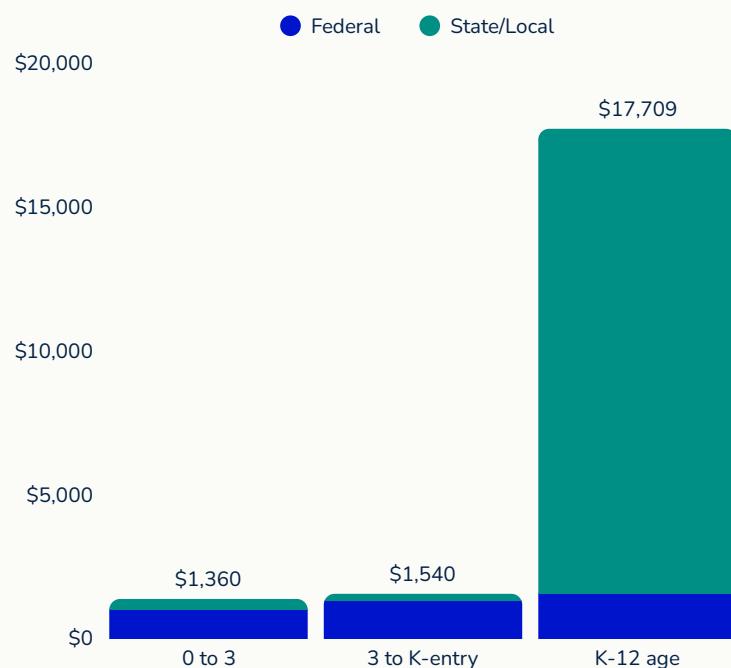

In 2022, New Hampshire supported early care and education through dedicated programs such as the Child Development Program. Continued investments will be reflected in future reports.
