

For every dollar spent on K-12-aged students in Wyoming, **\$0.09** was spent on infants and toddlers, and **\$0.11** on preschool-aged children.

Wyoming invested over \$60 million in early care and education in 2022, yet only \$56 million of those dollars were reflected in national reports, leaving over \$4 million – or 8% – of state and local spending uncaptured.

Of these investments in birth to K-entry:

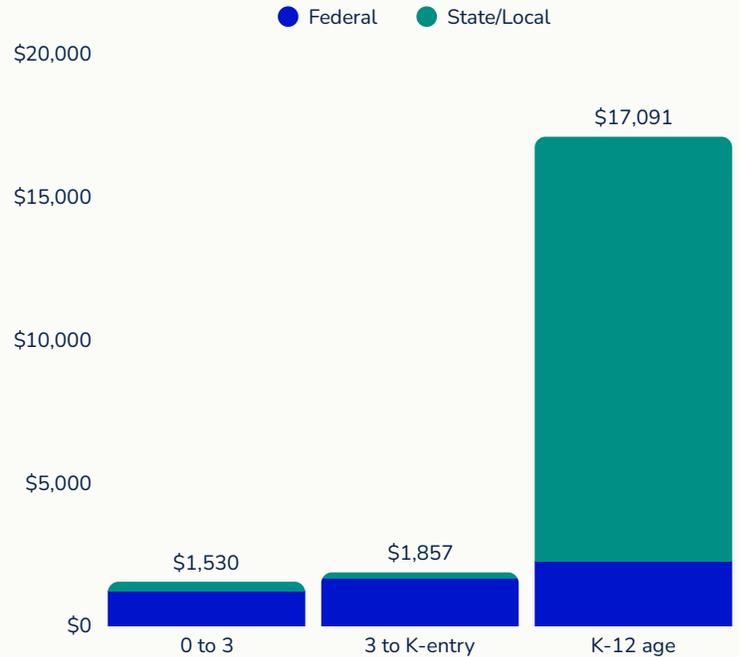

- 47% supported infants and toddlers
- 53% supported children age three to kindergarten entry
- 84% came from federal sources
- 16% came from state funds

In 2022, Wyoming supported early care and education through dedicated programs such as Nurse Home Visiting and Early Intervention. Continued investments will be reflected in future reports.
